   a. **CAPK WIC ~ Jaqueline Byrd, WIC Outreach Coordinator**
   Women, Infants & Children (WIC) is a supplemental nutrition program for women, infants and children. It is a short-term intervention program designed to influence a lifetime of nutrition and health behaviors in a targeted high-risk population. In the United States, approximately 7.3 million women and children receive WIC benefits every month with the program serving 53% of all infants in the nation. WIC also provides nutrition education through registered dietitians, nutritionists and trained professionals who can help inform, educate and counsel participants on the best nutrition for them and their growing family. Anyone who has a child up to the age of five is welcome to apply for the program. The program is currently providing vouchers valued at $80.00 per person to aid participants in the purchase of healthy and nutritious foods. CAPK WIC is the only program that offers a breastfeeding peer counseling program. Those applying for the program must meet income eligibility requirements or be deemed at nutritional risk by a health professional. Council members were informed of the transition from vouchers to a WIC card. Families will receive one card for all their food benefits. The card will provide a more convenient and flexible way for families to shop for WIC items. There is a WIC app that can be downloaded and will allow participants to keep track of appointments, food balance and will also enable them to scan items to verify if they are obtaining WIC authorized products. The tentative start date for distribution of the WIC card is February 18, 2020.
8. **New Business** – Chairperson **(**ACTION)**
   a. **Head Start/Early Head Start Kern Budget Revision 2019 – 2020 ~ Donna Holland, Fiscal Administrator**
   Ms. Holland shared through the review and monitoring process of the Budget to Actuals of the Head Start/Early Head Start Kern budget a savings was identified. The primary category from which this savings was derived being EHS Personnel and Fringe. This is due to the fact that positions which were previously figured into this budget have not yet been hired for because the sites where these positions would be placed are still undergoing construction. She further shared that we must obligate these funds before the end of the fiscal year (February 29, 2020). It was felt that the most prudent category

to move the Personnel & Fringe savings of $1,500,000 to would be the Construction category. Moving these funds there would support additional expenses for major construction projects. Approval is also being sought to submit a non-federal share waiver request in the amount of $750,000. Motion was made by Megan Bailey to approve the submission of the Head Start/Early Head Start Kern Budget Revision and the Non-Federal Waiver request to the Office of Head Start for the 2019-2020 funding year; seconded by Rosie Castillo. Motion was approved unanimously.

b. **Early Head Start Child Care Partnership Budget Revision 2019 – 2020 ~ Donna Holland, Fiscal Administrator**
Ms. Holland shared that this grant was awarded in March 2019 with a designation to support the cost of 24 center-based slots at the Jewett Center, which is currently under remodel. At this time all funds have not been expended and a savings has been identified in the amount of $540,500. This savings is due to budgeted staffing positions not yet filled pending the completion of the Jewett construction project which is currently in process. Staff is seeking approval to submit a budget revision to the Office of Head Start which would allow for transfer of the identified savings from the Personnel and Fringe category to the Other category. Transfer to the Other category will support additional expenses for minor renovation and repair projects for our partners and the Jewett Center. Additionally, approval is being sought for a non-federal share waiver in the amount of $125,000. Motion was made by Yolanda Ochoa to approve the submission of the Early Head Start Child Care Partnership Budget Revision and the Non-Federal Waiver request to the Office of Head Start for the 2019-2020 funding year; seconded by Nicole Cabe. Motion was approved unanimously.

Yolanda Gonzales presented the School Readiness report on behalf of Leslie Mitchell. Mrs. Gonzales stated that staff will be working with parents to share the outcomes of the children. Children are assessed in various areas, such as literacy, cognition etc. The outcomes of these assessments generate data which determine the trainings that will be offered to the staff. Mrs. Gonzales added that PC members who sign up for the School Readiness Committee, will have the opportunity to look at the tools that are being offered to the children that will be transitioning from preschool to kindergarten. Mrs. Gonzales also shared that teachers are assigned to a mentor coach. The mentor coach conducts classroom observations providing feedback and recommendations to help strengthen their skills in serving children in the program. In the upcoming months the program will begin identifying trainings that would be most beneficial to teaching staff. Based on this data a training calendar is then developed.

   WIC de CAPK ~ Jaquelin Byrd, Coordinadora de Promoción de WIC
   WIC es un programa de nutrición suplementario para mujeres, infantes y niños. Funge como un programa de intervención a corto plazo diseñado para influenciar patrones de alimentación y nutrición de por vida con enfoque en poblaciones de alto riesgo. En Estados Unidos, aproximadamente 7.3 millones de personas reciben beneficios de WIC mensualmente , esto se traduce a un porcentaje promedio de 53% de infantes a nivel nacional. WIC también proporciona educación de nutrición por medio de dietistas, nutricionistas y profesionales capacitados para informar, educar y proporcionar consejería, sobre temas de nutrición para los participantes y sus familias. Cualquier persona que tenga un niño (a) de hasta 5 años, puede solicitar el programa. En el presente WIC funciona por medio de vales con un valor de hasta $80 por persona para asistir a los participantes a consumir alimentos nutrientes y saludables. El programa de WIC de CAPK es el único programa que ofrece el programa de consejería para la lactancia. Aquellas personas que soliciten el programa deben cumplir con los requisitos de elegibilidad y estar en riesgo de salud, este último tiene que estar avalado por una constancia médica. Se informó a las miembros del concilio que en los próximos meses los vales de WIC serán reemplazados por una tarjeta electrónica, la cual estará cargada con todos los beneficios que la familia recibe. Esta tarjeta proporcionará una manera más flexible de adquirir los artículos autorizados por WIC. También se les informó que existe una aplicación telefónica que permitirá a los participantes estar al corriente de sus citas, el balance de los alimentos, y también podrán escanear artículos para poder verificar si el producto está autorizado por WIC. La fecha prevista para iniciar la distribución de la tarjeta es el 18 de Febrero 2020.

8. **Nuevos avisos** – Presidente **(**ACCIÓN)**

a. **Revisión al Presupuesto 2019 - 2020 de Head/Early Head Start de Kern ~ Donna Holland, Administradora Fiscal**
La Sra. Holland compartió la revisión y proceso de monitoreo del presupuesto a los gastos actuales de Head Start/Early Head Start de Kern y se identificaron ahorros. La categoría primaria de donde se derivaron estos ahorros fue de la contratación de personal para EHS y su margen. Esto se debe a que se tomó en cuenta cierto número de vacantes para el programa que aún no se han contratado debido a que los sitios en donde el personal fungiría todavía están en proceso de remodelación. Añadió tenemos que colocar antedichos fondos antes del término del año fiscal que termina el 29 de febrero 2020. Se pensó que la colocación de estos fondos con un total de $1,500,000 a la categoría de construcción sería un movimiento más conveniente. Con antedicho cambio, habrá más apoyo para sufragar los proyectos que contengan demandas mayores de construcción. También se está buscado la aprobación para remitir una solicitud de fondos no federales por la cantidad de $750,000. Megan presentó la propuesta de aprobación para la Revisión al Presupuesto de Head Start/Early Head Start de Kern así como la solicitud de la aprobación de los fondos no federal a la oficina de Head Start para el año 2019 – 2020, la propuesta fue secundada por Rosie Castillo. Propuesta aprobada por unanimidad.

b. **Revisión al presupuestos de la Asociacion de Cuidado Infantil de Early Head Start ~ Donna Holland Administradora Fiscal**
La Sra. Holland informó que este presupuesto fue devengado en marzo 2019, con la asignación de apoyar la creación de 24 espacios en el centro de Jeweett, el cual continua bajo remodelación. Hasta el momento, no se ha hecho uso de todos los fondos y se ha identificado un ahorro de $540,500. Este ahorro se debe a que se presupuestó para la contratación de personal y no se ha llevado a cabo hasta que la construcción del centro Jewett finalice. También se está solicitando la aprobación para remitir la revisión del presupuesto a la oficina de Head Start, lo que permitiría transferir los ahorros identificados de la categoría de personal a otra. La transferencia a la categoría anteriormente mencionada apoyaría gastos adicionales para renovaciones y reparaciones menores para los centros asociados y el centro Jewett. También se está solicitando la remisión de $125,000 de fondos no federales. Yolanda Ochoa presentó la propuesta para aprobar la remisión de la Revisión de Presupuesto para la Asociación de Cuidado Infantil de Early Head Start y de fondos no federal a la oficina de Head Start para el año 2019-2020, la propuesta fue secundada por Nicole Cabe. Our Kids Count

In our community, we believe every person counts. And we believe every person should get their fair share — especially little kids.

A big way our community gets money for child and family programs is by participating in the U.S. Census. The state and federal government uses census information to fund programs like child care, free and low-cost school lunches, and Medi-Cal.

Here are just a few reasons why your participation in the census matters:

When you and your kids are part of the census count, the community receives its fair share of money for important programs like Medi-Cal, WIC, Head Start, the National School Lunch Program, CHIP, and child care.

California receives more than $115 billion every year based on census data. We must count everyone so we don't lose these resources.

The number of people California has in Congress is based on the census count.

Here is how it works:

(1) In March 2020, you will get a census reminder in the mail.

(2) Complete the census form online, or over the phone.

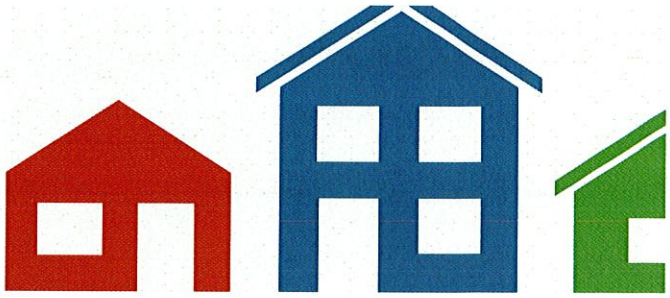
(3) Request a paper form, or wait to receive a paper form in the mail, if you prefer to respond that way. Please complete by end of April to avoid a home visit from a census official.

About one million kids under age 5 in the United States were not counted in the last census.

Please be counted so your community gets the funding and services it deserves.

For information and assistance, call NALEO Educational Fund's toll-free bilingual hotline: 1-877-EL-CENSO (352-3676).

Common Questions about the Census



Are my answers confidential? **YES.** By law, your response to the census CANNOT BE SHARED with anyone outside the census. This includes ICE (immigration), police, CPS (Child Protective Services), the IRS, the FBI, your landlord, or anyone else. No one can use your census answers to reduce your benefits, evict you, deport you, fine you, or take your children.

Will there be a question on the census asking if I am a citizen? **NO.**

Can I skip questions? **The best way to avoid a phone call or visit from a census worker is to complete all the questions truthfully.** And please make sure everyone in your household is counted — every adult, child, and baby.

How can I complete the census? **You have options.** You can fill out the census on a computer (at home or at a library), over the phone, or on paper. For help on how to respond using a paper census form, call 1-877-352-3676.

What if my child is a baby — do I list him or her on the census? **YES.** Please list your baby no matter how old — even if you are still in the hospital!

I am pregnant — how should I fill out the census? **Every child born on or before April 1, 2020** should be counted.

I have kids living with me who aren't mine — do I list them? **YES.** You should count every child who is living at your address, even if only temporarily, on April 1, 2020.

I have more people living with me than my landlord knows. I shouldn't list them, should I? ***Everyone* must be listed**, according to the U.S. Constitution. The census will not report your answers to your landlord or anyone else. Please make sure all people living in your household, or property, on April 1st, 2020 are counted.

I am not in the country legally. Should I take the census? **YES.** By law, the census cannot report your answers to any immigration authorities, law enforcement, or people in charge of government benefits. Everyone living in the U.S. at the time of the census should be counted, no matter their citizenship or immigration status.

My child doesn't live with me all the time — do I list him or her? **It depends.** Whomever your child lives with most of the time should count your child. If time is split evenly, the adult who has the child on April 1, 2020 should count the child.

How long does it take? **About 10 minutes.**

Your answers to the census are 100% confidential and are not shared with anyone. Please fill out your census form in 2020!

Nuestros Niños Cuentan

Todos cuentan en nuestra comunidad. Cada persona — especialmente los niños — debe recibir lo que le corresponde.

Al participar en el censo, nuestra comunidad recibe dinero para programas infantiles y familiares. El gobierno estatal y federal utiliza los datos obtenidos del censo para financiar programas de cuidado infantil, almuerzos escolares gratuitos o a bajo costo y Medi-Cal.

Éstas son algunas razones por las que su participación en el censo es importante:

Cuando sus hijos y usted forman parte del conteo del censo, su comunidad recibe la parte de dinero que le corresponde para programas importantes como Medi-Cal, WIC, Head Start, el Programa Nacional de Almuerzo Escolar, CHIP y cuidado infantil.

California recibe más de $115 billones de dólares cada año en base a los datos obtenidos del Censo. Debemos contar a todos para que no perdamos estos recursos.

El número de representantes que su estado tiene en el Congreso es basado en el conteo del censo.

Éstos son los pasos a seguir:

(1) Usted recibirá un recordatorio por correo del censo en marzo de 2020.

(2) Llene el formulario del censo por internet o teléfono.

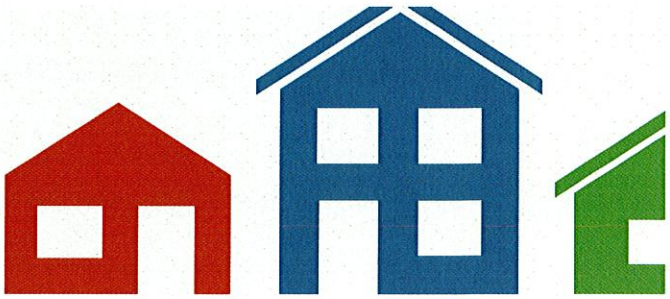
(3) Solicite un formulario en papel o espere recibir un formulario en papel por correo, si prefiere responder de esa manera. Para evitar una visita a su hogar de parte de un funcionario del censo, favor de completar y enviar el formulario a más tardar a finales de abril de 2020.

Alrededor de un millón de niños menores de 5 años en los Estados Unidos no fueron contados en el censo pasado.

Asegúrese de ser contado para que su comunidad reciba los fondos financieros y los servicios que merece.

Para obtener información y asistencia, llame al número gratuito de ayuda bilingüe del Fondo Educativo NALEO: 1-877-EL-CENSO (352-3676).

Preguntas Frecuentes sobre el censo



¿Mis respuestas son confidenciales? **SÍ.** Por ley, su respuesta al censo NO PUEDE SER COMPARTIDA con ninguna persona ni entidad que no sea parte del Departamento del Censo. Ésto incluye a ICE (inmigración), a la policía, a CPS (Servicios de Protección al Menor), el IRS, el FBI, su arrendador, o a cualquier otra persona o entidad. Nadie puede usar sus respuestas del Censo para disminuir sus beneficios, desalojarle, deportarle, multarle ni quitarle a sus hijos.

¿Habrá una pregunta en el formulario del censo sobre mi ciudadanía? **NO.**

¿Puedo dejar algunas preguntas sin responder? **La mejor manera de evitar una llamada telefónica o una visita de un trabajador del censo es contestar todas las preguntas de manera honesta.** Por favor asegúrese de que todos sean contados en su hogar — cada adulto, niño (a) y bebé.

¿Cómo puedo completar el formulario del censo? **Tiene opciones.** Puede completar el formulario del censo en una computadora (en casa o en una biblioteca), por teléfono o en papel. Para recibir asistencia sobre cómo responder usando un formulario de papel del Censo, llame al 1-877-352-3676

¿Si mi hijo es un bebé — lo/la incluyo en el Censo? **SÍ.** Por favor incluya a su bebé independientemente de su edad — Incluso si no han salido del hospital por dar a luz.

Estoy embarazada — ¿Cómo incluyo esta información en el formulario del Censo? **Todos los niños nacidos el 1ro de abril de 2020 o antes,** deben ser contados.

Tengo niños viviendo conmigo que no son míos, ¿los enumero? **SÍ.** Debe contar cada niño que esté viviendo en su hogar el 1ro de abril de 2020, aunque solamente sea una estadía temporal.

Hay más gente viviendo en mi hogar de la que mi arrendador tiene conocimiento. No debería enumerarlos, ¿o sí? ***Todos*** **deben ser enumerados** de acuerdo a la Constitución de EE. UU. El censo no compartirá sus respuestas con su arrendador ni con nadie más. Asegúrese de que todas las personas que viven en su hogar o propiedad el 1ro de abril de 2020, sean contadas.

No estoy en EE. UU. legalmente. ¿Debo tomar parte en el censo? **SÍ.** Por ley, el censo no puede reportar sus respuestas a ninguna autoridad de inmigración, de policía o a personas a cargo de beneficios gubernamentales. Todos aquellos que viven en EE. UU. al momento de llevarse a cabo el censo, deben ser contados independientemente de su ciudadanía o estatus migratorio.

Mi hijo vive conmigo tiempo parcial — ¿lo/la enumero? **Depende.** Su hijo (a) debe ser enumerado (a) en el hogar donde habite la mayoría del tiempo. Si el tiempo es dividido por partes iguales, su hijo (a) deberá ser contado en el hogar donde se encuentre el 1ro de abril de 2020.

¿Cuánto tiempo se tarda en completar el formulario del censo? **Unos 10 minutos.**

Sus respuestas al censo son 100% confidenciales y no se comparten con nadie. ¡Por favor complete el formulario del Censo 2020!

Get ready to LEARN!

READ

Reading aloud builds language and vocabulary—starting even before a child can talk!

Talk about the pictures. Ask questions: What do you think will happen next?

Be prepared to read the same book over and over—and over.

TALK

Talking helps children build the vocabulary they need to become strong readers.

Talk about anything—what you see or what you're doing.

Use the language you know best.

DRAW

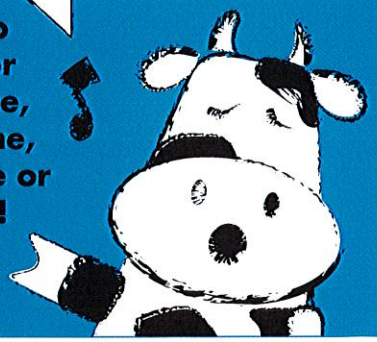
Scribbling is how children develop the skills and coordination they need to write letters and words.

Offer your child plenty of paper and chunky crayons.

SING

Singing prepares children for reading by helping them to hear the individual sounds in words, and to notice rhyme and rhythm.

Make up songs for bath time, meal time, bed time or anytime!



PLAY

When children play, they practice language and problem-solving skills.

Tell stories and talk about what you're playing.
