### Brick Engraving

Please print neatly in the spaces below what you would like engraved on your Commemorative Brick. There are 21 spaces available; however we recommend only using 17 spaces. All text will be centered, unless otherwise specified.

CAPK reserves the right to edit, or refuse any brick engraving (any refused bricks will be refunded). Bricks may not be immediately displayed as they must be ordered/installed in large quantities. CAPK is not responsible for replacing broken or damaged engraved bricks.

**Please return this form and your payment to:**
