MEMORANDUM

To: Budget & Finance Committee

From: Yolanda Gonzales, Director of Head Start/State Child Development
Carmen Segovia, Director of Health and Nutrition

Date: October 21, 2020

Subject: *Agenda Item 6b:* Request to Approve Submission of the Fiscal Year 2021-2022 – Continued Funding Application for California Department of Education (CDE) Programs (CMAP, CSPP, CMIG, CMSS, CCTR) – **Action Item**

The California Department of Education has requested that CAPK submit a re-funding application due November 10, 2020. Head Start/State Child Development is requesting approval to submit an application that documents our contract types and program calendars. The intent of the program is to continue to provide Head Start services under the Migrant Alternative Payment, State Preschool, Migrant Child Care/Specialized Services, and General Child Care grants. An expansion of our funding for the General Child Care grant is currently pending. The application will include the request of those funds should negotiations finalize prior to the due date. The CDE grant will support services that are also currently funded by OHS and USDA. The funding levels for the period 03/01/2021 through 02/28/2022 are as follow:

- Migrant Alternative Payment (CMAP): \$9,584,682
- State Preschool (CSPP): \$4,367,697
- Migrant Child Care (CMIG): \$ 262,661
- Migrant Specialized Services (CMSS): \$ 39,396
- General Child Care (CCTR): \$5,663,064
- Pending - General Child Care (CCTR): \$2,482,972

With this grant, CAPK will manage the Head Start Approach to School Readiness through the application of early learning theories and practices. Non-federal share details noted within the budget of each program that receives CDE funding will indicate program costs supported by CAPK. This program supports state and county efforts to improve communities by promoting educational opportunities that enrich the lives of children and their families.

Recommendation

Staff recommends the Budget & Finance Committee approve with resolution the submission of the Fiscal Year 2021-2022 Continued Funding Application for California Department of Education programs.

Resolution 2020-16

Continued Funding Application Fiscal Year 2021–22

Contractors who wish to be considered for continued funding for Fiscal Year (FY) 2021–22 must read the accompanying instructions and fully and accurately complete this application for continued funding. Please note that contractors have no vested right to a subsequent contract. Failure to timely respond to this application shall constitute notice to the Early Learning and Care Division (ELCD) of the intent to discontinue services at the end of the current contract year unless the contractor has received a written notice of extension of time from the ELCD. If this application is timely returned to the ELCD, but is not fully and accurately completed, funding for FY 2021–22, if awarded, may be delayed. Completion of this Continued Funding Application (CFA) does not guarantee a renewal of funding. Any contractors who are approved for continued funding will be expected to execute a contract with the California Department of Education (CDE) and comply with all applicable federal and state laws as well as all Funding Terms and Conditions and applicable Program Requirements incorporated into the contract. Please contact your regional consultant if your agency does not intend to continue services. MEMORANDUM

To: Budget and Finance Committee

From: 
Yolanda Gonzales, Director of Head Start/State Child Development

Date: October 21, 2020

Subject: *Agenda Item 6c:* Application for Continued Funding of Kern Head Start and Early Head Start – **Action Item**

The Office of Head Start (OHS) requires the submission of a re-funding application for the Kern Head Start and Early Head Start grant #09CH011132. Approval from the Board of Directors is a required component for the application due December 1, 2020. Head Start/State Child Development is requesting approval to submit an application that will describe the program design, goals and objectives, approach to delivery, and the budget.

The intent of the program is to continue to provide a comprehensive service delivery plan that support school readiness for children ages 0-5. We expect to reach the total funded enrollment, 1763 children, during the new fiscal year. The program is funded by the CDE, OHS, and USDA. The award levels for EHS and HS Kern include \$8,913,304 for program operations and \$168,586 for training and technical assistance and \$17,785,549 for program operations and \$177,586 for training and technical assistance, respectively.

CAPK will manage the development, implementation, and evaluation of early learning theories that are researched-based. Non-federal share details noted within the budget indicate program costs supported by CAPK. This program supports state and county efforts to improve communities by promoting educational opportunities that enrich the lives of children and their families. Services for this funding period will begin on March 1, 2021 and will continue through February 28, 2020.

Attached to this action item is the budget detail of our refunding application and 2021 – 2022 Program Goals and Objectives.

Recommendation

Staff recommends the Budget and Finance Committee approves, with resolution, the submission of the application for continued funding of Kern HS EHS #09CH011132 for the 2021-2022 budget period.

From: Yolanda Gonzales, Director of Head Start/State Child Development
Date: October 21, 2020
Subject: *Agenda Item 6d: Application for Continued Funding of Early Head Start Child Care Partnerships–* **Action Item**

The Office of Head Start (OHS) requires the submission of a re-funding application for the Early Head Start Child Care Partnerships (EHS CCP) grant #09HP000163. Approval from the Board of Directors is a required component for the application due December 1, 2020. Head Start/State Child Development is requesting approval to submit an application that will describe the program design, goals and objectives, approach to delivery, and the budget.

The intent of the program is to continue our partnerships with local contractors and support a comprehensive service delivery plan. Our local contractors include Bakersfield College, Blanton CDC, Garden Pathways, Taft College, and Escuelita Hernandez. We expect to reach the total funded enrollment, 152 children, during the new fiscal year. The program is funded by the CDE, OHS, and USDA. EHS CCP will receive \$2,398,407 for program operations and \$56,185 for training and technical assistance. CAPK will manage the development, implementation, and evaluation of the Head Start Approach to School Readiness through the application of early learning theories and practices that are researched-based.

Non-federal share details noted within the budget indicate program costs supported by CAPK. This program supports state and county efforts to improve communities by promoting educational opportunities that enrich the lives of children and their families. Services for this funding period will begin on March 1, 2021 and will continue through February 28, 2022.

Attached to this action item is the budget detail of our refunding application and 2021-2022 Program Goals and Objectives.

Recommendation:

Staff recommends the Budget and Finance approves with resolution the submission of the application for continued funding of EHS CCP #09HP000163 for the 2021-2022 budget period.

MEMORANDUM

To: Budget & Finance Committee

From: Freddy Hernandez, Director of Youth & Community Services

Date: October 21, 2020

Subject: *Agenda Item 6e*: Federal VITA Volunteer Income Tax Assistance Program
One Year Award – **Action Item**

On October 1, 2020, the Volunteer Income Tax Assistance (VITA) program received a one-year award notice for the amount of \$166,842 from the Internal Revenue Service (IRS), to offer volunteer income tax assistance services to low-income individuals and families throughout Kern County. The contract period will be from October 1, 2020 through September 30, 2021.

This project enables the VITA program to extend income tax assistant services to the underserved population in urban and non-urban areas in order to increase the capacity to file returns electronically; heighten quality control; enhance training of volunteers; and improve the accuracy rate of returns. We are currently in the process of renegotiating an agreement with United Way of Kern, for the 2020 – 2021 grant year in order to assist with the tax preparation services provided throughout Kern County.

The project is funded as part of the IRS initiative to provide taxpayer education and to assist low-to moderate income individuals and families with free tax preparation services. Last year the VITA program filed 6,476 tax returns that generated \$11,818,440 of tax refunds to the county of Kern. This program supports the federal and state efforts to help low-income individuals and families to complete their annual taxes and receive financial support. The work connects to CAPK's mission and Strategic Goal 4, advocating for the low-income community of Kern County who are often not aware of the financial benefits when they file taxes. This program is designed to provide tax education, financial assistance, and support to a targeted population in Kern County.

Recommendation:

Staff recommend the Budget and Finance Committee to approve the VITA contract and authorize the Chief Executive Officer to execute the contract.

Funds may be withdrawn at any time during the period of performance and up to 90 days thereafter for allowable, allocable, and necessary expenditures already incurred. Notification of changes in contact information for the PMS is the responsibility of the Recipient.
7. The Recipient is responsible for ensuring timely responses to requests for information and accurate reporting as explained in the Grant Reporting Requirements section of this agreement. The submission of all requested information, as well as timely and accurate reports, is required for future consideration for a grant. Extensions for providing the requested information and filing the reports will only be granted in unusual circumstances and only for information or reports due to the Grant Program Office. Recipients may request an extension but it must be submitted in writing at least five business days prior to the due date and the grantee must receive written response confirming the extension before the due date. The Grant Program Office cannot grant extensions for Payment Management System or sub-award reporting.
8. Financial records must identify the source and application of funds used for this program. Recipients must maintain documentation of expenditures, from both federal and matching funds, along with all in-kind contributions from third party or sub-recipient contributors for a minimum period of three years from the end of the program period of this agreement.
 - a. For recipients that utilize volunteer services as a match, information maintained must include the volunteer's name and contact information (address, phone and/or email) and daily time sheets to demonstrate work completed. If the volunteer provides services for other than the VITA program, the time must be allocated to identify the time contributed to the VITA program. Recipients using the simplified method for keeping record of volunteer return preparation services must maintain the number

- of federal returns prepared and the determination of the rates paid to paid return preparers in the local labor market instead of maintaining timesheets for volunteer screening, preparation, and quality review.
- b. Recipient must also allocate and report time for non-volunteers who perform duties for the VITA program. Time sheets for non-volunteers must clearly delineate the amount of time an individual spends on the VITA program and on other activities. For salaried employees not required to complete timesheets, documentation is required to account for the time spent on the VITA program.
- c. For recipients that utilize space as a match, information must be maintained on the actual dates and times the space is used and the calculated value of the space. A complete explanation as to how the valuation was determined is required. The use of per day and/or per hour costs should not exceed the fair market rental value of the space.
9. Federal funds may not be used to pay individuals for the preparation of returns and/or screening taxpayers. Individuals performing these duties in addition to site coordination, clerical support, etc. must document their time accordingly to ensure they are not paid for these activities. Where the preparation of a return and/or screening is ancillary to their paid activities, documentation is not required.
10. The Recipient and all sub-recipients must utilize Form 13614-C, Intake/Interview & Quality Review Sheet at sites or events where federal returns are prepared.
11. The Recipient and all sub-recipients must adhere to all Quality Site Requirements as explained in **Publication 1084**, IRS Volunteer Site Coordinators Handbook.
12. The Recipient agrees to remain tax compliant (file all required federal returns and information reporting documents and pay all federal taxes) during the period of this grant. This does not restrict the Recipient's use of established processes for contesting assessments.
13. The Recipient must notify the Grant Program Office of any cash sub-awards of \$1,000 or more. Notification must be within 30 days of the sub-award and include the entity name, a valid Unique Entity Identifier (UEI) provided at **www.sam.gov** or a valid DUNS number from Dun & Bradstreet, and amount of award. Recipients are not required to report non-cash sub-awards to the Grant Program Office, such as when the grantee purchases supplies for the entity. Sub-awards involving both cash and non-cash only need to be reported if the cash award is \$1,000 or greater.
14. The Recipient must follow IRS conflict of interest policies for federal awards and must immediately disclose in writing any potential conflict of interest to the Grant Program Office. The Recipient must require each sub-recipient to follow IRS conflict of interest policies for federal awards and must require each sub-recipient to immediately disclose in writing any potential conflict of interest to the Recipient. IRS conflict of interest policies are as follows:
- a. The Recipient and all sub-recipients must maintain written standards of conduct covering conflicts of interest and governing the performance of its employees, officers, and agents engaged in the selection, award, and administration of sub-awards and contracts as required in 2 CFR 200.318. No employee, officer, or agent of the Recipient or any sub-recipient may participate in the selection, award, or administration of a sub-award or contract supported by a federal award if he or she has a real or apparent conflict of interest. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by employees, officers, and agents.
- b. If the Recipient or sub-recipient has a parent, affiliate, or subsidiary organization that is not a state, local government, or Indian tribe, the Recipient or sub-recipient must also maintain written standards of conduct covering organizational conflicts of interest. Organizational conflicts of interest means that because of relationships with a parent company, affiliate, or subsidiary organization, the Recipient or sub-recipient is unable or appears to be unable to be impartial in conducting a procurement action involving a related organization.

VITA Grant Program Terms and Conditions (continued)

15. All contracts made by the Recipient under the federal award must contain all applicable provisions listed in Appendix II to 2 CFR Part 200.
16. The Recipient must timely disclose in writing to the Grant Program Office any violation of federal criminal law involving fraud, bribery, or gratuity violations that may potentially affect the award. Failure to make required disclosures can result in a number of actions, including withholding of payments, disallowance, and suspension/debarment from future awards. The Recipient must require each sub-recipient to certify that the sub-recipient has not violated any federal criminal law involving fraud, bribery, or gratuity violations that may potentially affect the award or disclose in writing to the Recipient any violation of federal criminal law involving fraud, bribery, or gratuity that may potentially affect the award. The Recipient must also include in the award documents for all sub-awards a requirement that the sub-recipient timely disclose in writing to the Recipient any violation of federal criminal law involving fraud, bribery, or gratuity violations that may potentially affect the award.
17. The Recipient and all sub-recipients are prohibited from providing funds made available by the Internal Revenue Service to the Association of Community Organizations for Reform Now (ACORN) or any of its affiliates, subsidiaries, allied organizations, or successors as sub-grantees, subcontractors, or other sub-recipients.
18. IRS may terminate this agreement for reasons of default or failure of the Recipient to perform its obligations under this agreement, as well as for malfeasance, illegal conduct, and/or management practices by the Recipient that jeopardize the ethical operations and implementation of this agreement. In any of the above cases, IRS will notify the Recipient in writing of its intent to terminate the agreement and the causes for such a decision. IRS will provide seven days for the Recipient to respond in writing.
19. The Recipient and all sub-recipients must agree to comply with the Buy American Act, 41 U.S.C. 8301-8303, includes a requirement that all un-manufactured articles, materials, and supplies purchased using grant funds be mined or produced in the United States and that all manufactured articles, materials, and supplies purchased using grant funds be manufactured in the United States substantially all from articles, materials, or supplies mined, produced, or manufactured in the United States. A conviction for violating the Buy American Act causes debarment from federal grants and contracts. The requirement to Buy American does not apply to information technology that is a commercial item, products for which the expected value of the procurement is \$3,500 or less, products for use outside the United States, foreign products when domestic products are unavailable or are of unacceptable quality, or foreign products excepted by certain trade agreements. The IRS may waive the requirement to Buy American if its application would be inconsistent with the public interest or the cost would be unreasonable.
20. Taxpayers utilizing volunteer program services provide Personally Identifiable Information (PII) to the volunteers, such as names, addresses, Social Security Numbers, birth dates, and bank account information. Therefore, partners and volunteers must keep the information confidential and protect it from unauthorized individuals and misuse. Grant recipients and any sub-recipient organizations must adhere to the requirements for protecting PII data as explained in Publication 4299, Privacy, Confidentiality, and Civil Rights - A Public Trust.
21. The recipient must have a valid Unique Entity Identifier (UEI) or Dun & Bradstreet Data Universal Numbering System (DUNS) number and maintain current registration through the System for Award Management (SAM) at **www.sam.gov** throughout the entire grant award cycle.

MEMORANDUM

To: Budget and Finance Committee

From: Irene Fonseca, 2-1-1 Program Manager

Date: October 21, 2020

Subject: *Agenda Item 6f*: Call 2-1-1 Information and Referral Service Agreement with the County of Kern – **Action Item**

Community Action Partnership of Kern's 2-1-1 Information and Referral Line is a vital service and support safety-net for the overall Kern community whereby members seek to obtain information about local/government services by calling 2-1-1. The value of the 2-1-1 program is known locally and across counties where other communities have contracted with our agency and team to help them face challenges and solve problems, with just a phone call.

July 1, 2019 to June 30, 2020, CAPK's 2-1-1 program answered 220,294 calls for individuals and families in need, including those impacted by the COVID-19 pandemic – with the assistance of 20 compassionate and professional Information and Referral Specialists. More recently, 2-1-1 staff stepped up to assist with calls for the Rental and Mortgage Assistance and Housing for the Harvest programs to help those adversely affected by COVID-19.

The Call 2-1-1 Information and Referral Service Agreement in partnership with the County of Kern will provide a rapid telecommunication system for all residents to obtain information and referral about government and human services by calling 2-1-1. The proposed agreement is a continuation of proposed services, now in year 2020, with a contract period July 1, 2020, ending June 30, 2021. Funding of \$41,700 will be used for staffing to operate the 2-1-1 system in Kern County.

Services under the proposed agreement are in alignment with CAPK's Strategic Plan Goal #2, CAPK will establish a system so that individuals can easily access the full spectrum of CAPK services.

Recommendation:

Staff recommends committee approval for Chief Executive Officer to sign agreement with the County of Kern for 2-1-1- Information and Referral Service, as presented.

Attachment:

Agreement for Call 2-1-1 Information and Referral Service, County of Kern.

(County of Kern – Community Action Partnership of Kern)

THIS AGREEMENT (“**Agreement**”), made effective this _____ (“**Effective Date**”), is by and between the COUNTY OF KERN, a political subdivision of the State of California (“**COUNTY**”), and the COMMUNITY ACTION PARTNERSHIP OF KERN, a California non-profit corporation (“**PARTNERSHIP**”). 4. In the performance of all services under this Agreement, PARTNERSHIP shall be, and acknowledges that it is, in fact and law, an independent contractor and not an agent or employee of the COUNTY. PARTNERSHIP has and retains the right to exercise full supervision and control over the manner and methods of providing services to the COUNTY under this Agreement. PARTNERSHIP retains full supervision and control over the employment, direction, compensation and discharge of all persons assisting PARTNERSHIP in the provision of services under this Agreement. With respect to PARTNERSHIP’S employees, PARTNERSHIP shall be solely responsible for the payment of wages, benefits and other compensation compliance with all occupational safety, welfare and civil rights laws, tax withholding and payment of employee taxes, whether federal State or local, and compliance with any and all other laws regulating employment.

5. PARTNERSHIP agrees to maintain and make available to the COUNTY accurate books and records relative to all of its activities under this Agreement. PARTNERSHIP shall permit the COUNTY to audit, examine and make excerpts and transcripts from such records, and to conduct audits of all invoices, materials, or other data related to all other matters covered by this Agreement. PARTNERSHIP shall maintain such data and records in an accessible location and condition for a period of not less than three years from the conclusion of the term specified in **Paragraph 1**, or until after the conclusion of any audit, whichever occurs last.
6. PARTNERSHIP agrees to indemnify, defend and hold harmless, the COUNTY, the COUNTY'S Board members, agents, elected and appointed officials and officers, employees, volunteers and authorized representatives from any and all losses, liabilities, charges, damages, claims, liens, causes of action, awards, judgments, costs and expenses, of whatever kind or nature (including, but not limited to, reasonable attorneys' fees of counsel retained by COUNTY, expert fees, costs of staff time and investigation costs) which arise out of or are in any way connected with any negligent or willful act or omission of PARTNERSHIP or its officers, agents employees, independent contractors, sub-contractors of any tier or authorized representatives arising out of this Agreement. Without limiting the generality of the forgoing, the same shall include bodily and personal injury or death to any person or persons; damage to any property, regardless of where located, including the property of PARTNERSHIP; and any workers' compensation claim or suit arising from or connected with any services performed pursuant to this Agreement on behalf of PARTNERSHIP by any person or entity. PARTNERSHIP; and any workers' compensation claim or suite arising from or connected with any services performed pursuant to this Agreement on behalf of PARTNERHIP by any person or entity. PARTNERSHIP shall also indemnify COUNTY from any and all liability or damages incurred by COUNTY from any improper expenditure of funds by PARTNERSHIP.
7. It is understood that PARTNERSHIP, in PARTNERSHIP'S performance of any and all duties under this Agreement, except as otherwise provided in this Agreement, has no authority to bind the COUNTY to any agreements or undertakings.
8. The COUNTY may immediately suspend or terminate this Agreement, in whole or in part where in the determination of the COUNTY there is:
 - a. An illegal or improper use of the funds provided by the COUNTY; or
 - b. A failure to comply with any term of this Agreement.

In no event shall any payment by the COUNTY constitute a waiver by the COUNTY of any breach of this Agreement or any default, which may then exist on the part of PARTNERSHIP. Neither shall such payment impair or prejudice any remedy available to the COUNTY with respect to the breach or default. The COUNTY shall have the right to demand of PARTNERSHIP the repayment to the COUNTY of any funds disbursed to PARTNERSHIP under this Agreement which in the judgment of the COUNTY were not expended in accordance with the terms of this Agreement. PARTNERSHIP shall promptly refund any such funds upon demand. In addition to immediate suspension or termination, the COUNTY may impose any other remedies available at law, in equity, or otherwise specified in this Agreement.

9. **INSURANCE.** PARTNERSHIP, in order to protect COUNTY and its board members, officials, agents, officers, and employees against all claims and liability for death, injury, loss and damage as a result of PARTNERSHIP's actions in connection with the performance of PARTNERSHIP's obligations, as required in this Agreement, shall secure and maintain insurance as described below.

PARTNERSHIP shall not perform any work under this Agreement until PARTNERSHIP has obtained all insurance required under this section and the required certificates of insurance and all required endorsements have been filed with the COUNTY's authorized insurance representative, Insurance Tracking Services Inc. (ITS). Receipt of evidence of insurance that does not comply with all applicable insurance requirements shall not constitute a waiver of the insurance requirements set forth herein. The required documents must be signed by the authorized representative of the insurance company shown on the certificate. Upon request, PARTNERSHIP shall supply proof that such person is an authorized representative thereof, and is authorized to bind the named underwriter(s) and their company to the coverage, limits and termination provisions shown thereon. The PARTNERSHIP shall promptly deliver to ITS a certificate of insurance, and all required endorsements, with respect to each renewal policy, as necessary to demonstrate the maintenance of the required insurance coverage for the term specified herein. Such certificates and endorsements shall be delivered to ITS prior to the expiration date of any policy and bear a notation evidencing payment of the premium thereof if so requested. PARTNERSHIP shall immediately pay any deductibles and self-insured retentions under all required insurance policies upon the submission of any claim by PARTNERSHIP or COUNTY as an additional insured.

- a. Workers' Compensation and Employers Liability Insurance Requirement -- In the event PARTNERSHIP has employees who may perform any services pursuant to this Agreement, PARTNERSHIP shall submit written proof that PARTNERSHIP is insured against liability for workers' compensation in accordance with the provisions of section 3700 of the California Labor Code.

PARTNERSHIP shall require any sub-contractors to provide workers' compensation for all of the subcontractors' employees, unless the sub-contractors' employees are covered by the insurance afforded by PARTNERSHIP. If any class of employees engaged in work or services performed under this Agreement is not covered by California Labor Code section 3700, PARTNERSHIP shall provide and/or require each sub-contractor to provide adequate insurance for the coverage of employees not otherwise covered. PARTNERSHIP shall also maintain employer's liability insurance with limits of one million dollars (\$1,000,000) for bodily injury or disease.

- b. Liability Insurance Requirements:

- (1) PARTNERSHIP shall maintain in full force and effect, at all times during the term of this Agreement, the following insurance:

- (a) Commercial General Liability Insurance including, but not limited to, Contractual Liability Insurance (specifically concerning the indemnity provisions of this Agreement with the COUNTY), Products-Completed Operations Hazard, Personal Injury (including bodily injury and death), and Property Damage for liability arising out of PARTNERSHIP's performance of work under this Agreement. The Commercial General Liability insurance shall contain no exclusions or limitation for independent contractors working on the behalf of the named insured. PARTNERSHIP shall maintain the Products-Completed Operations Hazard coverage for the longest period allowed by law following termination of this Agreement. The amount of said insurance coverage required by this Agreement shall be the policy limits, which shall be at least one million dollars (\$1,000,000) each occurrence and two million dollars (\$2,000,000) aggregate.
- (b) Automobile Liability Insurance against claims of Personal Injury (including bodily injury and death) and Property Damage covering any vehicle and/or all owned, leased,

hired and non-owned vehicles used in the performance of services pursuant to this Agreement with coverage equal to the policy limits, which shall be at least one million dollars (\$1,000,000) each occurrence.

- (c) Professional Liability (Errors and Omissions) Insurance, for liability arising out of, or in connection with, the performance of all required services under this Agreement, with coverage equal to the policy limits, which shall not be less than one million dollars (\$1,000,000) per occurrence and two million dollars (\$2,000,000) aggregate.
 - (2) The Commercial General Liability and Automobile liability Insurance required in this subparagraph b. shall include an endorsement naming the COUNTY and COUNTY's board members, officials, officers, agents and employees as additional insureds for liability arising out of this Agreement and any operations related thereto. Said endorsement shall be provided using one of the following three options: (i) on ISO form CG 20 10 11 85; or (ii) on ISO form CG 20 37 10 01 plus either ISO form CG 20 10 10 01 or CG 20 33 10 01; or (iii) on such other forms which provide coverage at least equal to or better than form CG 20 10 11 85.
 - (3) Any self-insured retentions in excess of \$100,000 must be declared on the Certificate of Insurance or other documentation provided to COUNTY and must be approved by the COUNTY Risk Manager.
 - (4) If any of the insurance coverages required under this Agreement is written on a claims-made basis, PARTNERSHIP, at PARTNERSHIP's option, shall either (i) maintain said coverage for at least three (3) years following the termination of this Agreement with coverage extending back to the effective date of this Agreement; (ii) purchase an extended reporting period of not less than three (3) years following the termination of this Agreement; or (iii) acquire a full prior acts provision on any renewal or replacement policy.
- c. Cancellation of Insurance -- The above stated insurance coverages required to be maintained by PARTNERSHIP shall be maintained until the completion of all of PARTNERSHIP's obligations under this Agreement except as otherwise indicated herein. Each insurance policy supplied by the PARTNERSHIP shall not be suspended, voided, cancelled or reduced in coverage or in limits except after ten (10) days written notice by PARTNERSHIP in the case of non-payment of premiums, or thirty (30) days written notice in all other cases. This notice requirement does not waive the insurance requirements stated herein. PARTNERSHIP shall immediately obtain replacement coverage for any insurance policy that is terminated, canceled, non-renewed, or whose policy limits have been exhausted or upon insolvency of the insurer that issued the policy.
 - d. All insurance shall be issued by a company or companies admitted to do business in California and listed in the current "Best's Key Rating Guide" publication with a minimum rating of A-; VII. Any exception to these requirements must be approved by the COUNTY Risk Manager.
 - e. If PARTNERSHIP is, or becomes during the term of this Agreement, self-insured or a member of a self-insurance pool, PARTNERSHIP shall provide coverage equivalent to the insurance coverages and endorsements required above. The COUNTY will not accept such coverage unless the COUNTY determines, in its sole discretion and by written acceptance, that the coverage proposed to be provided by PARTNERSHIP is equivalent to the above-required coverages.

- f. All insurance afforded by PARTNERSHIP pursuant to this Agreement shall be primary to and not contributing to all insurance or self-insurance maintained by the COUNTY. An endorsement shall be provided on all policies, except professional liability/errors and omissions, which shall waive any right of recovery (waiver of subrogation) against the COUNTY. A waiver of right of recovery (waiver of subrogation) is only required on Workers' Compensation policies when a PARTNERSHIP's personnel deliver or perform services for the COUNTY while on COUNTY property.
 - g. Insurance coverages in the minimum amounts set forth herein shall not be construed to relieve PARTNERSHIP for any liability, whether within, outside, or in excess of such coverage, and regardless of solvency or insolvency of the insurer that issues the coverage; nor shall it preclude the COUNTY from taking such other actions as are available to it under any other provision of this Agreement or otherwise in law.
 - h. Failure by PARTNERSHIP to maintain all such insurance in effect at all times required by this Agreement shall be a material breach of this Agreement by PARTNERSHIP. COUNTY, at its sole option, may terminate this Agreement and obtain damages from PARTNERSHIP resulting from said breach. Alternatively, COUNTY may purchase such required insurance coverage, and without further notice to PARTNERSHIP, COUNTY shall deduct from sums due to PARTNERSHIP any premiums and associated costs advanced or paid by COUNTY for such insurance. If the balance of monies obligated to PARTNERSHIP pursuant to this Agreement are insufficient to reimburse COUNTY for the premiums and any associated costs, PARTNERSHIP agrees to reimburse COUNTY for the premiums and pay for all costs associated with the purchase of said insurance. Any failure by COUNTY to take this alternative action shall not relieve PARTNERSHIP of the responsibility of obtaining insurance.
10. Any notice required or permitted to be given under this Agreement shall be in writing and shall be served by registered mail or personal service upon the other Party. When served by registered mails, service shall be conclusively deemed to be made three days after deposit with the United States Postal Service (postage prepaid) addressed to the Party to whom such notice is to be given as follows:

Notice to PARTNERSHIP shall be made to:

11. None of the funds provided under this Agreement shall be used for any political activity, or to further the election or defeat of any candidate for public office contrary to federal or State Laws, statutes, regulations, rules or guidelines. In addition, none of the funds provided or property purchased under this Agreement shall be used for purposes designed to support or defeat legislation before the Congress of the United States of America or the Legislature of the State of California.

12. No covenant or condition of this Agreement can be waived except by the written consent of the COUNTY. Forbearance or indulgence by the COUNTY in any regard whatsoever shall not constitute a waiver of the covenant or condition to be performed by PARTNERSHIP. The COUNTY shall be entitled to invoke any remedy available to the COUNTY under this Agreement or by law or in equity despite said forbearance or indulgence.
13. The Parties hereto agree that the provisions of this Agreement will be construed pursuant to the laws of the State of California. This Agreement has been entered into and is to be performed in the County of Kern. Accordingly, the Parties agree that the venue of any action relating to this Agreement shall be in the County of Kern.

15. Each Party has full power and authority to enter into and perform this Agreement, and the person signing this Agreement on behalf of each Party has been properly authorized and empowered to enter into this Agreement.
16. It is expressly understood and agreed that the enforcement of these terms and conditions, and all rights of action relating to such enforcement, shall be strictly reserved to the COUNTY and PARTNERSHIP. Nothing contained in this Agreement shall give or allow any claim or right of action whatsoever by any other third person. It is the express intention of the COUNTY and PARTNERSHIP that any such person or entity, other than the COUNTY or PARTNERSHIP, receiving services or benefits under this Agreement shall be deemed an incidental beneficiary only.

Subject: *Agenda Item 6g*: Subcontracts for the CalFresh Healthy Living Program – **Action Item**

CAPK CalFresh Healthy Living Program's fiscal year is 10/1/2020 – 9/30/2021.

One of the requirements of the CalFresh Healthy Living contract is that at least 30% of the funds are subcontracted to partners who will assist with the delivery of services. The amount being allocated for subcontracts is \$607,915, which exceeds the CEO's authority, so Board approval is required. The subcontractors will continue to be Kernville Unified Schools, Kern County Superintendent of Schools, and Lamont Elementary School District.

The mission statement of the CAPK CalFresh Healthy Living program is to improve the nutritional health of low-income Californians by providing access to nutrition education, physical activity education, and leadership toward healthy community initiatives.

This three-year reimbursable grant will reach 90,000 unduplicated SNAP-Ed participants in over 216 eligible sites to build community partnerships and implement sustainable policies where participants live, shop, learn, play, and eat.

CAPK CalFresh Healthy Living is funded by the California Department of Public Health, Nutrition Education, and Obesity Prevention Branch (CDPH NEOPB) with the origin of funding being the USDA Supplemental Nutrition Assistance Program.

CAPK CalFresh Healthy Living subcontracts to meet the fiduciary responsibility as well as programmatic compliance. The subcontracted partners provide approved CalFresh Healthy Living activities for K-12 to meet nutrition standards for the CalFresh Healthy Living three-year scope of work. CAPK CalFresh Healthy Living staff monitor subcontractor monthly activities to ensure programmatic and fiscal compliance. Subcontractors report programmatic activities in the Program Evaluation and Reporting System (PEARS) to provide evaluation data and submit monthly invoicing to meet fiscal compliance.

The total FFY 2021 budget of \$1,723,709 will be allocated as follows:

Personnel Costs: \$787,642
Operating Costs: \$171,451
Subcontracts: \$607,915
Indirect Costs: \$156,701

CAPK CalFresh Healthy Living program goals align with the CAPK strategic goal to meet the needs of its priority populations and actively educate and advocate for healthy eating and active living environments.

Recommendation:

Staff recommends Board approval of the subcontracts with Kernville Unified School District, Lamont Elementary School District, and Kern County Superintendent of Schools for the period of October 1, 2020 to September 30, 2021 and authorizes the Chief Executive Officer, to act on behalf of the Board as CAPK's representative signatory with regard to the subcontracts and subsequent amendments during the contract period.

MEMORANDUM

To: Budget and Finance Committee

Carmen Segovia

From: Carmen Segovia, Director of Health & Nutrition

Date: October 21, 2020

Subject: *Agenda Item 6h*: CAPK WIC Revised Job Descriptions – **Action Item**

CAPK WIC is requesting approval of the two revised and re-pointed job descriptions: WIC Program Administrator and WIC Program Manager.

In September of this year the CAPK Budget and Finance Committee approved a new organizational structure for the CAPK WIC program. Since that time staff have worked with Human Resources (HR) to revise 2 job descriptions to reflect the approved changes within the new structure. Included with this memo are 2 job descriptions that have been reviewed and re-pointed by HR and are presented to the Committee for approval.

Funding for these 2 positions is included in the current and projected contract for CAPK WIC from CDPH WIC. The budget impact for FFY 20-21 is approximately \$3370. The impact on the CAPK WIC budget is projected to be sustainable.

The reorganization will also coincide with the Strategic goals of CAPK by developing organizational goals that unify the program efforts throughout the agency and the reorganization will give the program a more engaged staff and better retention.

This is an ongoing project to reorganize and revise the organizational structure of CAPK WIC. The revised organization chart was approved by the Committee at the last meeting in September. The next step will be the approval of the attached job descriptions and salary range. CAPK WIC will return to this Committee in the future to review and approve the remaining leadership and support staff job descriptions and salary ranges.

Proposal

- WIC Program Manager job title and job description changes to WIC Program Administrator
- WIC Administrative Coordinator job title and job description changes to WIC Program Manager

Recommendation:

Staff recommends approval of the CAPK WIC Program changes in position titles and the revision of the job descriptions.

MEMORANDUM

To: Budget & Finance Committee

Tracy Webster

From: Tracy Webster, Chief Financial Officer

Date: October 21, 2020

Subject: *Agenda Item 6i*: Fuel Card Policy – **Action Item**

Executive Summary

The following policy proposal is presented to the Community Action Partnership of Kern (“CAPK”) Budget and Finance Committee for approval. CAPK continues to strengthen internal controls for maximum efficiency and transparency. As such, the Finance Team has revised the current fuel card policy and procedure to ensure these controls are in effect.

Additionally, the Finance Team began evaluating the current fuel card provider, Chevron and Flyers. After research, the Finance Team selected Wells Fargo to facilitate the fuel credit cards for more flexibility in payment processing, easier portal, and more efficiently. The new Wells Fargo portal will allow for real-time monitoring as well as more employee accountability.

Recommendation:

Staff recommends the Board approve the new Fuel Card policy and procedure and authorize Finance to move the current fuel cards to Wells Fargo.

Attachment:

Fuel Card Policy

POLICY AND PROCEDURE

TITLE:	Fuel Card Policy
APPROVED:	[Enter Date of Board Approval]
APPLIES TO:	All Community Action Partnership of Kern Employees

POLICY:

It is the policy of Community Action Partnership of Kern (CAPK) that all company-controlled vehicles are assigned a fuel card. Employees authorized to use the fuel card accept all responsibility for the protection and proper use of the fuel card when in possession. Employees who are assigned the regular use of company vehicles will be required to sign a Fuel Card Employee Agreement acknowledging the requirements and proper use of the fuel card. Purchases on the fuel card are for business use only. This policy will set standards and guidelines on the use of fuel cards to ensure accountability and compliance according to federal and state requirements.

AFFECTED DEPARTMENTS:

This policy applies to all eligible CAPK employees.

DEFINITION:

None

GUIDELINES:

The Finance Department will be responsible for obtaining and issuing fuel cards to departments. Departments who are assigned a fuel card will be responsible for adhering to the procedures set forth. Employees will sign the Fuel Card Employee Agreement and will be filed in the Finance Department. Employees will obtain receipts for all fuel purchase and submit original receipts to the Finance Department for record keeping.

CARD HOLDER RESPONSIBILITIES:

The fuel card is to be used for business purposes only. The fuel card may not be used for personal use and may not be used to fuel personal vehicles. Employees are responsible for keeping the fuel card in a secure location at all times. Employees must always submit receipt of

transactions to the Finance Department for reconciling. All cards must be returned to the designated controller at the end of each day for safekeeping. Failure to adhere to this policy may result in disciplinary action.

REPLACEMENT CARDS:

Employees must immediately report any lost, stolen, or damaged fuel cards to their supervisor. The supervisor will notify the Finance Department. Any replacement cards will be coordinated and facilitated by the Finance Department. CAPK will be responsible for all transactions up to the time that the lost or stolen report is made.

PROCEDURE FOR CHECKING OUT FUEL CARD:

1. The designated Program Administrator will request to see the employee's driver license if the individual is not known.
2. On the fuel card log, the Program Administrator will enter the card number, employee name, and date and time of check-out. Program Administrator will initial the entry (Note: the employee does not initial or sign the log).
3. Complete the bottom section of the Fuel Card Employee Agreement and enter the card due date.
4. Instruct the employee to sign where indicated. Let employee know of required due date.
5. Offer a copy of the agreement to the employee. Give the fuel card to the employee along with the Vehicle Binder designated to the vehicle, which is secured in each vehicle.
6. Employee must turn in the fuel card before the end of the day. The Program Administrator will contact the employee if the fuel card has not been returned.

Subject: *Agenda Item 6j*: Line of Credit Reduction – **Action Item**

Executive Summary

In response to the concerns regarding cash flow at the beginning of the COVID-19 crisis, Community Action Partnership of Kern (CAPK) elected to increase the available Line of Credit from \$2,000,000 to \$4,000,000. This increase was made effective on March 23, 2020. The Finance team was able to secure an increase in the Line of Credit in partnership with our bank within a week due to the strong financial condition of the agency.

During the COVID-19 crisis, CAPK's Finance team has carefully monitored and controlled cash flow. The Line of Credit was used once in July to handle the normal cyclical challenges for cash flow from the California Department of Education. The Finance team has continued to monitor and guide contract/grant invoicing and the subsequent receivables. We have not experienced delays in payments as originally expected in March.

Based on the regular inflow of funds, it is recommended that the Line of Credit is reduced back to the original \$2,000,000 limit. A reduction of the Line of Credit will result in less fees and costs associated with holding a larger line of credit. A reduction of the limit will result in a savings of approximately \$1,200 per quarter.

Recommendation

Staff recommends the Board delegate authority to the Chief Executive Officer (CEO) to proceed with authorizing a decrease in the agency Line of Credit from \$4,000,000 to \$2,000,000.
