MEMORANDUM

TO: Executive Committee

FROM: Tracy Webster, Chief Financial Officer

DATE: June 4, 2021

RE: *Agenda Item 4a:* Cost of Living Adjustment (COLA) for All Employee Wages – **Action Item**

The Board of Directors previously approved the applications to receive the 1.22% COLA for Kern Head Start and San Joaquin Early Head Start. Both of these applications have been received and approved by the Office of Head Start. The approval for COLA is retroactive to the full contract year starting March 1, 2021. However, the budgets for each of these programs can accommodate a further increase up to a 2.0% COLA

The agency has occasionally offered higher COLA rates beyond the Head Start amount. CAPK leadership is proposing 2.0% to elevate staff who have worked tirelessly during the pandemic.

In addition, it is the intention of the agency to eliminate the sick leave payout for the upcoming fiscal period. The sick leave payout has historically benefited exempt management staff. Non-exempt hourly staff do not participate in the sick leave payout program. Due to this lack of equity, CAPK leadership is proposing the elimination of this program and an escalation of the Cost-of-Living Adjustment to 2.0% over the proposed 1.22%. The following represents the historic participation in the sick leave payout:

Year	Non-Exempt	Exempt	Total
2019	58	28	89
2020	114	39	153

CAPK leadership intends to propose the full elimination of the sick leave payout policy during the June Personnel Committee. At the same time, leadership will bring a new Catastrophic Leave Policy and revised Vacation Leave Policy for exempt staff.

With respect to the Cost-of-Living Adjustment, leadership proposing a universal 2.0% wage adjustment for all employees in the Head Start family of programs. The Head Start family of programs, comprising Head Start, Early Head Start, State Childcare, Central Kitchen, Partnerships and San Joaquin County includes approximately 600 employees of the CAPK total 900 employees.

Historically, we have not been able to offer a regular schedule of COLA increases to our employees. We are bound by federal and state budgets and ultimately contracts that dictate our funding levels. Occasionally one of our funding sources approves a budget increase specifically

designated for an employee wage COLA. When that does occur, especially in a large group such as Head Start, we utilize and leverage the increase to spread a COLA to the entire CAPK staff. The most recent COLA approved for employee wages was a 2.0% increase effective March 2020, a 1.77% increase effective March 2019 and a 2.6% increase effective in March 2018.

The Division Directors and Program Managers routinely work at planning and budgeting for a possible COLA. All program budgets included a wage COLA in their operational budgets for the 2021-22 budget year. The effective date of the COLA for each program or contract may vary, depending on each contract's requirements and funding levels.

Recommendation:

Staff recommends approval to implement the agency-wide COLA of 2.0% retroactive to March 1, 2021. This increase would not apply to the Chief Executive Officer. Staff recommends that the COLA be applied with the attached effective dates subject to each individual contract requirements and funding levels. Staff also recommends that CAPK leadership provide the Personnel Committee with the proposal to eliminate of the Sick-Leave Pay Out Policy in the month of June 2021.

MEMORANDUM

To: Executive Committee

From: Jerry Meade, Head Start Assistant Director - Program

Date: June 4, 2021

Subject: Kern Head Start /Early Head Start Carryover Requests 2021– ***Action Item***

The Head Start and State Child Development division is requesting carryover requests for the HS/EHS Kern and EHS Childcare Partnership grants. This request will permit the transfer of the balances from budget period 2020-21 to the 2021-22 budget year. These funds will support projects from the previous budget period in which funds were originally awarded. Both of our Kern Head Start and Early Head Start program budgets carryover totals $7,456,394 Kern HS/EHS and $2,619,907 EHS Child Care Partnership. The Budget Detail in the attachment will note the quantities by grant and major category.

The majority of the HS/EHS Kern (09CH011132) remaining funds will be utilized to supplement the construction projects already approved. T&TA funds will be utilized to deliver training on Trauma Informed Care. This training is a critical component of early childhood education whose principals enable providers to better identify health risk and determine critical steps for supporting children's care. CAREs Act Funding will continue to support the purchasing of personal protective equipment and disinfecting equipment required for the COVID-19 pandemic.

The EHS Childcare Partnership (09HP000163) carryover from 2019 and remaining Base funds will be utilized to support the purchase of 4032 Jewett Ave property. The T&TA funding will be used to support a 3 Month Training Series for our Child Care Partners. The training will include Trauma Informed Care as described above, as well as other training topics. CAREs Act funding will be used for expenses that result from the pandemic.

This proposal was formulated through discussions with the Region IX Office, as well as with members of our Board of Directors. In consultation with Finance, we have determined that the un-obligated balance is equal to the amount that is being requested. These consultations have supported CAPK's request to carryover the $10,076,301 balance into the 2021-2022 fiscal year.

These projects align with CAPK's strategic goal to support school readiness by increasing the number of classrooms and supporting the delivery of services. The Office of Head Start has approved the funding for the construction projects and construction will begin in the coming weeks when the budget carryover has been awarded. Staff have started the appropriate approval requirements the facility purchase, pending approval from the Office of Head Start.
