V. Regular Business

a. Director of Development Recruitment Update – Kevin Burton, Board Chair – *Info Item*

Kevin Burton reported that a candidate was selected and is going through the background checks now. An update will be provided at the next meeting.

b. Food Bank Capital Expansion on Fundraising and Construction Update – Emilio Wagner, Director of Operations and Pritika Ram, Director of Administration – *Info Item*

Emilio Wagner provided a verbal update regarding the status of the construction and pricing. The contractors have started the pre-construction planning and have erected temporary fencing and are preparing to begin the earthwork on the south side of the Food Bank to include a road that leads to Washington St. The new road will minimize the interruption to the Food Bank with deliveries and outbound deliveries. Bid packages have been opened to allow for some of the subcontractors to resubmit bids as there has been a fluctuation of pricing. Since Federal funds were awarded towards the expansion project, the construction process is expected to be slower to allow time for approval by the County. The underground utilities, concrete, and paving has already been approved. A construction schedule is being prepared by Columbo and it is expected that the metal building will arrive in May. The interior improvements are scheduled to be completed in October.

Pritika Ram added that the Food Bank Expansion Capital Campaign was a primary goal of the Foundation Board. Due to the COVID response, the agency, as a social services partner, was able to provide access to food in a timely matter, which garnered a lot of visibility and funding for the CAPK Food Bank Expansion. Staff is in talks with a private donor who has requested not be identified at this time, and the funding schedule will be paid based on milestones achieved. Additionally, staff worked alongside the California Food Bank Association and the funding has come together supplemental the needed funds. Under the pending column, there is $3 million that is outstanding, and based on conversations with our elected officials and leadership at the DC office, we are unsure at this time if it will materialize. However, we are in excellent shape and can pivot back to fundraising efforts if needed.

Pritika also announced that the CAPK Food Bank distributed 33 million pounds of food in 2020 and 23 million pounds in 2019. The need is there, and this expansion will serve the community well. The construction is not expected to interrupt the operations of the Food Bank.

Kevin Burton thanked the staff for their work to achieve and surpass the fundraising goal.

c. Friendship House Community Center (FHCC): Fundraising Campaign – Freddy Hernandez, Director of Youth and Community Services and Pritika Ram, Director of Administration – *Info Item*

Lois Hannible reported that the Friendship House Community Center was established in 1957 and offered social services, recreational activities and support to individuals and families in southeast Bakersfield and across Kern County. Lois provided a summarization of each of the current programs offered for the youth. Lois said there are a total of 6 staff members serving FHCC and 2 WIC employees are on the premises.

Pritika Ram presented a plan to jump start fundraising for fencing and lighting and said that Emilio Wagner has provided an estimated costs to complete both.
CAPK will pay for an electrical engineer to scope out the project to provide accurate lighting to utilize the green space behind the building. The cost to obtain the scope of work from an electrical engineer is approximately $15,000 - $20,000.

Internal processes are to bring the new project up to both the Friendship House Advisory Council and the Foundation Board. Of the two projects, fencing is priority for safety.

Kevin Burton asked if the fencing would prevent individuals from climbing over. Emilio said it will and described what the expanded metal mesh will add and said that the fencing will provide the needed security and aesthetics.

Raul Gallardo asked if the fencing and lighting will offer the opportunity to increase funding through rental of the facility. Freddy Hernandez said a new high school is being built nearby and the Kern High School District has already approached Friendship House to inquire about renting the fields until the high school fields are completed.

Kevin Burton suggested a Friendship House donor wall and said that in philanthropy, funds pledged can be spread over a period of time. The breakdown over time provides the donor with a tax deduction over several years. Kevin also suggested a fundraising committee be formed to address sponsorship levels, etc.

Pritika said staff will solicit members for an Ad-Hoc Committee to include Foundation Board Members and FHCC Advisory Council Members.

d. 2022 Foundation Board Meeting Schedule – Action Item
