Pritika provided an overview of activities taking place to prepare for the upcoming Capital Campaign, which includes: Identifying potential donors from CAPK’s vendor list; Working with CAPK’s marketing consultant to assemble a comprehensive packet to address the metrics of the Friendship House; Working with a local elected official who has indicated available funds may be forthcoming; Highlighting the other programs and services offered at Friendship house to bring greater awareness and exposure within the community.

c. Director of Development Recruitment Update – Kevin Burton, Board Chair – Info Item

Kevin Burton reported that the candidate identified at the last meeting has decided to remain with her current employer. Other candidates are being considered but Kevin stressed the need to make sure the right person is in the position, and that may mean that the position remains open a little longer.

b. Food Bank Capital Expansion on Fundraising and Construction Update – Emilio Wagner, Director of Operations and Pritika Ram, Director of Administration – Info Item

Emilio Wagner provided an update regarding the status of the construction and said that work is well underway at the Food Bank and that there is now road access off Washington, and curbs are being poured and saw cut on the south side of the existing Food Bank. The underground work is taking place now and the building pad for the metal building will be completed before the end of April. The estimated delivery date of the metal building is now mid to late April, a little earlier that previously reported, so once the building pad is complete, the metal iron workers will begin to erect the building. Emilio said that some of the bids have to be re-submitted, but there are plenty of contracts that have already been awarded for the work that will see us through the point of building erection.

Pritika Ram shared good news and said that the private donor has agreed to donate $3 million to the Food Bank Expansion and leadership staff is working with CAPK’s legal counsel to review the donor agreement. It is expected the agreement will be executed by mid-April. The donor has indicated that they want to take an active role in how this donation is communicated publicly.
Pritika also reported that the $3 million grant from Congressman Valadao’s office was approved so with that confirmation, the Food Bank Expansion expenses are 100% covered. Funding is coming out of HUD and that presents a few limitations, but we will work through any issues during the contract negotiations. An onsite visit at the Food Bank is being planned to provide proper recognition of this $3 million donation. Staff will communicate details of the event at a later date and Pritika encouraged all to be in attendance.

Kevin Burton asked about the estimated date of completion and Emilio responded that it will be completed during the first quarter of 2023, or sooner.
