a. Friendship House Community Center – Lois Hannible, FHCC Program Manager & Pritika Ram, Director of Administration– Info Item

1. Site Tour

Lois Hannible provided a site tour to the Foundation Board Members and showcased the property and the areas of need, lighting, and improved fencing. Both improvements will provide increased security and an opportunity for the property to be rented for community use. Following the tour, Lois detailed the different programs that the FHCC provides, and highlighted the summer program where a free breakfast and lunch is provided, along educational components and a field trip is planned to the Long Beach Aquarium and San Simeon for a beach clean-up day. Both field trips were made possible through a grant from the California Coastal Commission.

Children who attend the center are safe and enjoy the many activities throughout the year. The mentoring program is possible through a grant and adult volunteers in the community who commit to a year of service and are matched with students. It’s a very rewarding program for both students and the mentors.

Lois ended her presentation by providing the history of Friendship House and how it was founded in 1957 by community members who came together to provide a safe place for children. Along the way, financial struggles put the center at risk of closing until CAPK was approached and asked to help resuscitate the center. CAPK invested funding to build the gymnasium and enhance the exterior to where it is today. The FHCC Advisory Board also plays a major role in the ongoing efforts to provide continued services to the community.

2. Site Enhancement Presentation

Pritika Ram provided a video presentation that focused on the Friendship House Community Center and surrounding property and provided a proposed budget of funds required to install the lighting and fencing. It is recommended to split the fundraising into three phases: fencing, lighting, and solar. The board engaged in great discussion and provided several suggestions on businesses and community political leaders to approach to assist with the funding needs. It was also suggested that some of the local solar companies may be willing to donate all or a portion of the solar panels for the center.

Pritika said that CAPK will invest an initial $25,000 to cover the electrical civil engineering and it is estimated that the contract will be signed in June.

It was recommended that staff arrange a tour with City officials to stress the need for the safety upgrades.

b. Director of Development Recruitment Update- Kevin Burton, Board Chair – Info Item

Kevin Burton advised the Board that the recruitment efforts are ongoing and there are some good candidates in the mix. Interviews are expected to begin soon.

Subject: Agenda Item V(a): Friendship House Community Center (FHCC): Fundraising Campaign Update – Info Item

The Friendship House Community Center (FHCC) Sports Field Enhancement Campaign has been doing well since the beginning of the year. The project was designed to address the community’s need for green space and provide a safe and secure environment for youth to access the sports field in Southeast Bakersfield. Below are highlights from the campaign.

Through the state-based funding secured by Assemblymember Rudy Salas, in partnership with the Friendship House Community Center Advisory Council, in the amount of $1,000,000.00, 66% of the campaign funds have been secured. With the estimations provided by the Civil Engineer and Operations Divisions, these funds will be used towards the fencing and lighting project. Staff will pursue grant funds through the City of Bakersfield - Community Development Block Grant (CDBG) for the solar installation phase of the campaign and will continue to pursue related grants and fundraising efforts as well. However, if funds state funds remain, it will be used towards the solar project and/or related site enhancements.

In total, 68% of the funds have been received or secured, and there is an outstanding balance of $480,000.00, see attached budget detail for additional information.

Staff anticipate obtaining updated quotes on the project in the coming months. To stay updated on campaign activities, please access the Fundraise Page: Friendship House - CAPK Foundation
