MEMORANDUM

To: Personnel Committee

From: Freddy Hernandez – Director of Youth & Community Services

Date: August 5, 2026

Subject: *Agenda Item 4a: East Kern Program Administrator Position – Action Item*

As program services expand and new contracts are secured across East Kern County, the Youth and Community Services Department needs dedicated administrative support to ensure consistent oversight, strengthen staff support, guide program expansion, and build relationships with community partners.

This request seeks approval to create the East Kern Program Administrator position to support the rapid expansion, coordination, and oversight of services provided by current and future Family Resource Centers located throughout East Kern County.

The East Kern Program Administrator would oversee and support management with the day-to-day operations, program reporting, budgets, community partnerships, and compliance with all applicable state and federal regulations and contract requirements for programs operated throughout East Kern County.

The job description has been reviewed and approved by Human Resources and the Chief Business Development Officer. A salary summary of the proposed new position is provided below.

Summary of Proposed Changes

Below is a description of the new proposed position and fiscal sustainability:

Position Title	Proposed Changes	Current Grade
East Kern Program Administrator	The addition of a new position.	13 Min. \$40.37 Mid. \$50.46 Max. \$60.55

Fiscal Impact and Timeframe

Subject to approval by the Personnel Committee and Board, the East Kern Program Administrator position could begin around September 2026 and would be incorporated into the FY 2026/2027 budget and future annual budgets. This transition would not backfill the manager's role at the moment. Funding for the position will be supported by the East Kern Cal AIM program, Kern County HHAP Program, First 5 Kern, and other eligible funding sources. The transition to a Program Administrator, without backfilling the manager's role, is expected to result in a fiscal impact of \$12,253. This action is contingent upon approval of a budget revision and a First 5 Kern amendment to adjust the source of funding accordingly.

Strategic Plan Impact:

This proposal supports Goal Group A of the 2026–2029 CAPK Strategic Plan: supporting initiatives that foster pathways out of poverty by promoting community-led investments, thereby expanding access to education, employment, affordable housing, healthcare, and essential services.

Recommendation:

Staff recommend that the Personnel Committee approve the addition of the East Kern Program Administrator position to the Youth and Community Services Division and recommend submission to the Board of Directors for final approval.

MEMORANDUM

To: Personnel Committee

From: Marissa Ortiz-Cortez, WIC Program Administrator

Susana Magana, Director of Health & Nutrition Services

Date: August 5, 2026

Subject: *Agenda Item 4b:* WIC Job Description Revisions – **Action Item**

A review of WIC Program supervisory positions identified the need to update select job descriptions to accurately reflect current duties, responsibilities, level of authority and work performed.

Summary of Proposed Changes:

This request seeks approval of the updates to WIC job descriptions. The WIC Nutrition Education Supervisor and WIC Breastfeeding Education Supervisor positions are both currently vacant. We have taken this opportunity to revise the job descriptions before recruitment. The WIC Program supervisory positions were reviewed to ensure alignment between assigned duties, level of responsibility, and FLSA classification requirements. The position has experienced a reduction in authority and independent decision-making and no longer exercises the level of discretion, judgment, or management responsibility required for exempt classification. Its primary duties have shifted from directing the WIC program, developing procedures, and making significant independent decisions to carrying out established processes and day-to-day operational tasks. Additionally, the workload can reasonably be completed within a standard 40-hour workweek, and the position does not routinely require the flexibility expected of an exempt role, making it more appropriately classified as overtime eligible when additional hours are necessary. Based on the review, the positions more closely align with non-exempt criteria due to the nature of the work performed and the level of decision-making authority.

This change does not impact the assigned job grade, compensation structure, or overall scope of responsibilities. The existing grade remains appropriate based on the position's duties and organizational classification structure.

The job description has been reviewed and approved by Human Resources and the Director of Health and Nutrition. A salary summary of the proposed new position is provided below.

Position Title	Proposed Changes	Current	Proposed
WIC Nutrition Education Supervisor WIC Breastfeeding Education Supervisor	Exempt to Non-Exempt	Grade 11 Exempt Min. \$32.06 Mid. \$40.08 Max. \$49.69	Grade 11 Non-Exempt

Fiscal Impact:

There is no current fiscal impact because the positions are already included in our current budget and WIC contract.

Strategic Plan Impact:

This proposal supports Goal 4 of the 2026–2029 CAPK Strategic Plan: *Strategic Priority C Culture*. Specifically, it aligns with:

- Key Goal 1 : Invest in attracting and retaining a high-quality and engaged workforce by August 2029.
 - *Objective 1*: Enhance recruitment strategies and increase agency visibility by March 2027

Recommendation:

Staff recommend that the Personnel Committee approve the revisions to the WIC job descriptions and recommend submission to the Board of Directors for final approval.
